

Remember | Honor | Teach

26 October 2016

Commanders,

It is time once again to start planning for Wreaths Across America. This year we will have 2 options for selling wreaths.

#### Wreaths Across America

- Online Orders
- \$15 sale price
- \$5 returns to the squadron
- Donation funds will be mailed to the units in February
- Deadline to order ~ 26 Nov

#### Mickman Brothers

- Check and Cash Orders
- \$15 sale price
- \$6 Returns to the squadron
- Donation checks will be delivered to CAP 17 Dec along with the wreaths
- Deadline to order ~ 14 Dec

This packet contains the information on Mickman Brothers. Please read through it and assign a project officer. They can work with Susan Pruitt to get your squadron set up with Mickman Brothers. If you choose to hold a sale day at a local facility Mickman Brothers will provide you with a sample wreath to help increase your sales.

For the Wreaths Across America, your project officer will need to go online and set up your fundraising page.

The Cemetery Placement of all the wreaths will be on 17 Dec 2016. The program will begin promptly at 1100 at Fort Snelling National Cemetery (there may be additional locations in MN). Fort Snelling has almost 260,000 sites and it would be nice to place a wreath on all of them. We would love to have you and your cadets come out to help with the program. The cemetery staff greatly appreciates the assistance the day of placement.

I look forward to having everyone involved. This is an excellent opportunity to raise funds for your unit and to honor those who have served our country.
